

PUBLIC NOTICE CERTIFICATION FORM NITRATE MCL VIOLATION

Within 10 days of notifying your customers, you are required to send to your Regional Office of Drinking Water this completed form and a copy of each type of notice you distributed (hand-delivered notices, press releases, newspaper articles, etc.). This form certifies that you have met all the public notification requirements. If the chemical contamination remains for more than three months, you must notify your water users again and provide another Public Notice Certification Form to the Department of Health.

With this certification, you are also stating that you will meet future requirements for notifying new billing units of the violation or situation.
